

## 24 Port Fiber Optic Patch Panel 1U 19 Inch SC / LC Connector Drawer With Guild Rail

HANGZHOU MINGXIN FIBER NETWORK TECHNOLOGY CO., LTD.

### Detailed Product Description

Application:	Optical Distribution Frame ( ODF )	ODF Type:	Rack Mounted &Drawer With Guild Rail
Material:	Galvanized Steel Sheet Or Cold Rolled Steel Sheet Or Aluminium Sheet	Connector Type:	LC/FC/SC,simplex, Duplex Etc
Available Adapter:	LC/SC/ST/FC	Height:	1U

### 24 port Fiber Optic Patch Panel 1U 19 inch SC / LC Connector Drawer With Guild Rail

Fiber Optic FTTH Box:The terminal box realize the connection between the fiber optical cable and the pigtail, and protect the fiber optic spice. It suits for all the fiber optic cable with its diamater within  $\Phi 16$  to 22 mm. It apply for indoor. Outdoor, CATV system, etc

### Features

- 19" standard size , easy install
- Light weight, strong strength, good anti-shocking and dustproof
- Well cable management, cable can be distinguished easily
- Roomy space ensure fiber bent ratio
- Adapter fence can be installed or uninstalled
- Drawer with guild rail

### Application

- Telecommunication
- CATV
- LAN & WAN
- Network
- Broadband

### Product Show

### Fiber Optic Patch Panel Specification:

Dimension: 450\*277\*45mm

Port Nos.: 24

N.G: 3.5Kg

Working Temperature: -45--+80 deg

### FAQ

**(1)** Can I get some samples of this optical fiber receiver?

Yes, Sample order is available for quality check and market test .And you just to pay the cost and freight.

**(2)** What's delivery time of fth node?

It usually takes about 3-7 working days .

**(3)** What's your payment terms ?

We usually accept all these kinds of payment terms .Such as T/T,L/C, Western Union.Cash Etc.

**(4)** What's your warranty terms ?

We offer 12 months warranty time .

**(5)** Could you give us help on the CATV solution?

OK, it is our pleasure to help you.

**(6)** What is your MOQ?

One is OK.

### MXT care our life

Hangzhou Mingxin Fiber Network Technology Co., Ltd. is one of the leading developers and professional manufacturers of fiber optical technology and high quality fiber optical communication products. We provide Fiber optic patch cord, Fiber optic connector, Fiber optic adaptor, Fiber optic PLC splitter, Fast connector, Fiber optic patch panel, Fiber terminal box, Fiber closure and more. For high-quality patch cord production line equipment, we can also offer insertion and return loss tester, interferometer test machine, connector tip microscope, connector crimping machine, connector polishing machine, connector heating oven, automatic cable cutting machine, etc.
